Professional Summary

Results-driven Web Developer with **3+ years of experience** building, optimizing, and maintaining responsive web applications. Proficient in modern JavaScript frameworks (React, Node.js), PHP, HTML5, CSS3/Tailwind, and RESTful API integrations. Passionate about writing clean, maintainable code and optimizing web performance for seamless user experiences.

Technical Skills

- **Frontend:** JavaScript (ES6+), React.js, HTML5, CSS3, Tailwind CSS, Bootstrap
- **Backend:** Node.js, Express.js, PHP, RESTful APIs
- **Databases:** MySQL, PostgreSQL, MongoDB
- **Tools & Platforms:** Git, GitHub, Docker, Postman, Vercel, Figma

Professional Experience

Web Developer | TechSolutions Inc. (Makati, Metro Manila)

Jan 2024 – Present

- Developed and maintained web applications using React.js and Node.js, reaching over 50,000 monthly active users.

- Optimized site speed and performance, reducing page load times by **35%** through code splitting and lazy loading.
- Collaborated with UX/UI designers to convert Figma wireframes into responsive, accessible web components.
- Integrated third-party APIs (Stripe, Google Maps, Auth0) into existing application workflows.

Junior Web Developer | *Creative Web Studio (Quezon City, Metro Manila)*

Jun 2022 – Dec 2023

- Built 15+ custom, fully responsive websites for e-commerce and corporate clients using HTML, CSS, JavaScript, and PHP.
- Refactored legacy codebase, improving website security and SEO rankings for key clients.
- Managed database queries and CRUD operations using MySQL, ensuring data integrity across web forms.
- Participated in agile sprint planning, code reviews, and daily stand-up meetings.

Featured Projects

E-Commerce Web Platform

- **Tech Stack:** React, Node.js, MongoDB, Express, Tailwind CSS
- Built a full-stack e-commerce store with user authentication, product search/filtering, shopping cart management, and payment processing.

Interactive Task Management App

- **Tech Stack:** JavaScript (ES6), HTML5, CSS3, LocalStorage API
- Designed a lightweight task tracker allowing users to drag-and-drop tasks, set deadline reminders, and filter by priority status.

Education

Bachelor of Science in Information Technology

Polytechnic University of the Philippines, Manila | 2018 – 2022

Certifications

- **Meta Front-End Developer Professional Certificate** – Coursera (2023)
- **AWS Certified Cloud Practitioner** – Amazon Web Services (2023)
